Assisting with the provision of palliative care provide relevant information to clients and families.

Assessing the emergency situation and provide basic Life Support and First Aid.

Treating common injuries.

Practicing good health and grooming habits

About

Care Practitioner Skills Programmes are based on the qualification National Certificate: Care Based Practices (SAQA 80786) at NQF level 2. Several skills programmes may lead to the attaining of the full qualification.

They are intended learners interested in providing home-care services in an institution or an individual's household where specialist care service needs to be provided.

These Skills Programmes are designed to develop competencies required to provide a comprehensive home-care service in a manner that has regard for life and property.
