

Vital College

62% Black Owned

B-BBEE Level 2

SKILLS PROGRAMME: CP 3.1 - BASIC CARE PRACTICES

Outcomes

Abilities and skills developed:

Planning tasks to meet care needs.

Planning for areas of responsibility and reviewing implementation of care work against set performance standards.

Fundamental nursing care for a frail person under supervision of a qualified health worker.

Assessing the emergency situation and providing basic Life Support and basic First Aid.

Giving assistance to persons living with a disability or chronic illness to become independent in activities of daily living.

About

Care Practitioner Skills Programmes are based on the qualification National Certificate: Care Based Practices (SAQA 80786) at NQF level 2. Several skills programmes may lead to the attaining of the full qualification.

They are intended learners interested in providing home-care services in an institution or an individual's household where specialist care service needs to be provided.

These Skills Programmes are designed to develop competencies required to provide a comprehensive home-care service in a manner that has regard for life and property.
