

SKILLS PROGRAMME: CP 4 - PALLIATIVE CARE

Outcomes

Abilities and skills developed:

Fundamental nursing care for a frail person.

Assisting with the provision of palliative care to persons whose disease is no longer responsive to curative treatment.

Assessing the emergency situation and providing basic Life Support and basic First Aid.

Assisting a person living with a disability or chronic illness to become independent in activities of daily living.

Explaining and evaluating the different components of activities of daily living (ADL).

About

Care Practitioner Skills Programmes are based on the qualification National Certificate: Care Based Practices (SAQA 80786) at NQF level 2. Several skills programmes may lead to the attaining of the full qualification.

They are intended learners interested in providing home-care services in an institution or an individual's household where specialist care service needs to be provided.

These Skills Programmes are designed to develop competencies required to provide a comprehensive home-care service in a manner that has regard for life and property.
