Applying personal safe working practices regarding the work area and equipment.

Maintaining personal hygiene.

# About

Care Practitioner Skills Programmes are based on the qualification National Certificate: Care Based Practices (SAQA 80786) at NQF level 2. Several skills programmes may lead to the attaining of the full qualification.

They are intended learners interested in providing home-care services in an institution or an individual's household where specialist care service needs to be provided.

These Skills Programmes are designed to develop competencies required to provide a comprehensive home-care service in a manner that has regard for life and property.
