SKILLS PROGRAMME:

CP 9 - DEVELOPING A SMME BUSINESS

Outcomes

Abilities and skills developed:

Describing, analysing and designing the different components of a typical business plan.

Discussing entrepreneurship and the characteristics.

Identifying and assessing the learner's characteristics.

Discussing business ethics and social responsibility.

About

Care Practitioner Skills Programmes are based on the qualification National Certificate: Care Based Practices (SAQA 80786) at NQF level 2. Several skills programmes may lead to the attaining of the full qualification.

They are intended learners interested in providing home-care services in an institution or an individual's household where specialist care service needs to be provided.

These Skills Programmes are designed to develop competencies required to provide a comprehensive home-care service in a manner that has regard for life and property.
