Vital College

B-BBEE Level 2

**SKILLS PROGRAMME:
GM5 - MANAGERIAL PROBLEM
SOLVING**

Outcomes

Abilities and Skills Developed:

Adopting a systematic approach to achieving objectives.

Knowledge and skills required to solve problems and make decisions.

Ability to critique and use techniques for collecting, organising and representing data.

Using theoretical and experimental probability to develop models, make predictions and study problems.

About

Generic Management Skills Programmes are based on the qualification, Further Education and Certificate: Generic Management (SAQA 57712) at NQF level 4. Several skills programmes may lead to the attaining of the full qualification.

This skills programme aims to lay the foundation for Junior Managers and Team Leaders for competency in any business/ workplace. It specifically develops management and leadership competencies required by learners in any occupation.

They also enable transformation by enabling new Junior Managers and Team Leaders to gain the basic skills to function optimally as such in a range of business entities, workplaces and organizations.
