Vital College

B-BBEE Level 2

SKILLS PROGRAMME: SHE 7 – BASIC COMPUTER AND COMMUNICATION SKILLS

Outcomes

Abilities and skills developed:

- Explaining requirements to conduct safety, health and environmental representation activities.
- Complying with the activities within safety, health and environmental structures.
- Monitoring workplace compliance to safety, health and environmental requirements.
- Preparing, Completing, Recording and submitting compensation commissioner documentation.

About

Safety, Health and Environment (SHE) Skills Programmes are based on the qualification National Certificate: Occupational Health, Safety and Environment (SAQA 74269) at NQF level 2. Several skills programmes may lead to the attaining of the full qualification.

They are intended for safety, health and environmental (SHE) practitioners, middle management and persons managing the occupational safety of any workplace, industry or large office.

The SHE skills programmes assist learners to identify, monitor, advise and report on occupational, health and environmental safety factors, which may have a detrimental effect on the safety of workers in the business or the workplace.
